MISSION STATEMENT

In Saintfield High School we firmly believe that every child has the right to learn in an atmosphere free from fear and intimidation. We do not tolerate any form of bullying.

DEFINITION OF BULLYING

Bullying is when a person's or a group of people's behaviour, over a period of time, deliberately makes another person feel uncomfortable, distressed or threatened. Bullying makes those being bullied feel powerless to defend themselves.

The School aims to:

Anti-Bullying Rules

- We do not tolerate physical abuse of others.

- We do not tolerate pupils interfering with others belongings or school property.
- We do not tolerate name-calling.
- We do not tolerate larger pupils using their weight and strength against others.
- We do not tolerate pupils making sounds which would be hurtful to others.
- We do not tolerate exclusion from groups.

IT IS IMPORTANT THAT WE RESPOND TO BULLYING

- We want every Saintfield High School pupil to feel safe while at school and make their School experience a positive one.
- We want to make it clear to everyone that bullying in any form is unacceptable in our school.
- We have a responsibility to respond promptly and effectively to bullying.

REPORTING CONCERNS ABOUT BULLYING

Pupils – every pupil is encouraged to report bullying by:

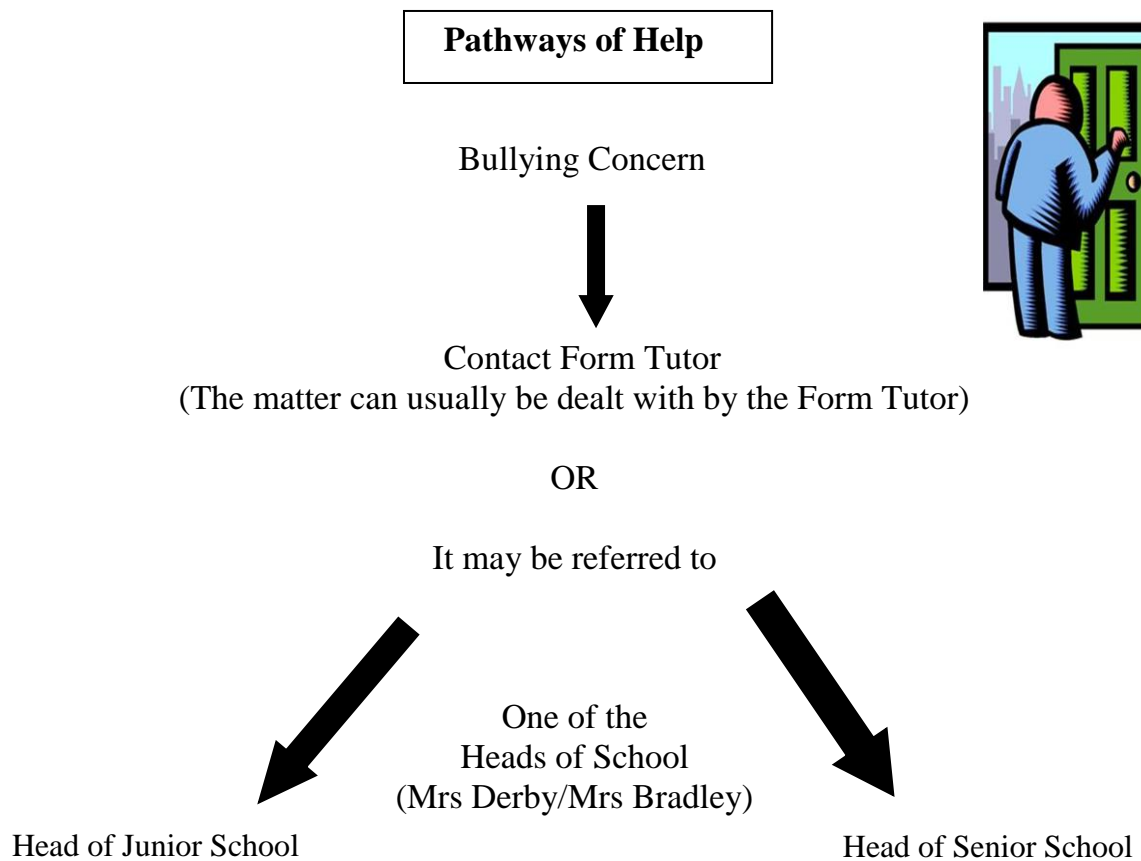

- Telling any member of staff – teaching or non-teaching
- Telling a friend, a parent/guardian or a trusted adult who can then tell a member of staff
- Using the North Down Family Works referral box outside the Library.

All pupils need to be aware that staff want to be informed of any bullying incidents and that action will be taken when bullying is reported.

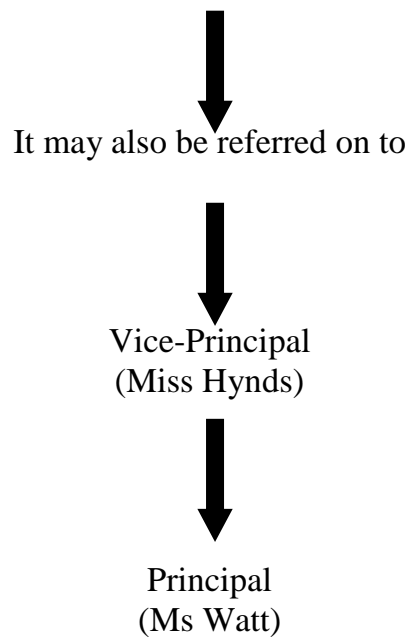

Parents/Carers –

- Parents should raise their concern with their child’s Form Tutor but may inform any member of staff
- Usually the Form Tutor will be able to deal with the matter
- More serious problems may require the intervention of a Head of School, Vice Principal or Principal. Most problems will be solved in this way.
- Where a parent feels their concerns have not been resolved, they are encouraged to contact the Principal.
- There is further advice in the School’s leaflet “How to Raise concerns or make a complaint” - **Appendix 2**

- Questionnaires are used to obtain feedback from our school community – pupil, parent, staff in order to evaluate attitudes to bullying, knowledge of procedures and to register any shortfalls in our system.
- Our Anti-Bullying Policy is reviewed every two years.
- Year 8 pupils have Year 12 mentors.
- Support strategies for pupils who are bullied and for those who bully, which includes the availability of a counselling service.
- Effective supervision at breaktime, lunchtime, class change-overtime and in cafeteria, toilet areas and changing rooms.

- Central to our ethos is the integration of all pupils including children with learning or physical disabilities. The school will, after discussion, make all reasonable adjustments to facilitate pupils with learning or physical disabilities. This may involve discussing the disability with the child's class.

- All adults in the school should be positive role models which is shown in our behaviour towards each other as well as to pupils. Anti-bullying role models:
 - ~ show respect for every child as an individual
 - ~ are aware of vulnerable children
 - ~ criticise the behaviour rather than the child
 - ~ avoid playing favourites
 - ~ are seen to be fair
 - ~ avoid labelling
 - ~ have high expectations of pupils
 - ~ avoid reference to other members of the family ('just like your brother')
 - ~ never give pupils ammunition to use against each other.
