

We currently have a vacancy for a part time cleaner in the School (12 hours). Applicants must be at least 18 years of age and be available to work flexibly during the afternoon period from Monday to Friday inclusive.

We ask that you are keen to be part of a busy team and to show initiative. Previous experience in a similar environment would be an advantage, however, this is not essential as full training will be given.

If you are interested in this role, please telephone the school on 97 510356 and ask to speak to Mrs Craig in the General Office.
